

Terms of Use

We advise all Users to read the Terms of Use herein carefully before accessing and using the Site or the Services.

You acknowledge the following upon using our Products and Services:

- The Site includes data related to third-party platforms
- The Site contains information on third-party platforms for trading Cryptocurrencies

You are responsible for complying with the Terms of Use when using the Site and Services.

The Terms of Use herein are subject to amendments, where you agree to such changes upon continuous use of our Services.

We reserve the right to restrict our services if the Company believes that any legal entity in the relevant jurisdiction violates the Terms herein.

The Terms of Use herein embody our Privacy Policy. Therefore, you agree to our Privacy Policy upon accepting the Terms.

Eligibility

You are only eligible to use our Site and Services if you are at least 18 years old.

Neither the Company nor its representatives make any representation or warranty, expressed or implied, as to the lawfulness of the Services or any individual's use of the Site and Services, and will not be liable for the individual's unlawful to our Site and Services.

Restricted Territories

Without limiting the generality of the above, the Company may restrict any User from its Site and Services if the User does not comply with the relevant Terms and policies.

If any legal or regulatory environment in the relevant territory will result in exposing the Company to legal, regulatory, reputable, or economic risks, then the Company will not be responsible for its conduct in such territory.

Prohibited Activities

You acknowledge that the following activities are prohibited upon using the Company's Services:

- Use the Site with the intention to upload, download, distribute, publish, or transmit records in a way that violates any rights, such as intellectual property, safety, and privacy rights
- Use the Site and Services to damage, insult, or defame

- Records that consist of different software programs which can harm the Company's PC structures or in any way that limits or prevents others from using the Site
- Records that violate any law
- Records that consist of any commercial without the Company's approval
- Remove or modify any attributions, criminal notices, or different proprietary designations or labels on the Site
- Conduct other activities on the Site other than its sole purpose
- Interfere with other Users' use of the Site or Services
- Upload or transmit anything that acts as a passive or live record without the Company's authorisation, including but not limited to cookies, internet bugs, or other comparable adware devices
- Adjust or intervene in the supply code of the Site and add any software that can damage or harm the Company, its Site, or other relevant parties
- Decompile, disassemble, or reverse-engineer any of the Company's software programs within its Site or Services

If the Company believes that your use of the Site or Services violates the Terms herein or any applicable law, the Company has the right to conduct the following:

- Modify your use of the Services
- Deny your access to the Site
- Alter your use and access to third-party events
- Take other actions that the Company sees fit to protect its interests

Intellectual Property Rights

The Site, its content materials such as videos, texts, photos, logos, designs, sounds, figures, and other content materials included on the Site are the sole property of the Company or the relevant third parties.

The Company retains all rights, names, and interests to the Site and provided Services. Apart from the right to use the Site or Services in compliance with the Terms herein, using the Site and Services does not grant the User any intellectual property rights.

Additionally, the User may only use the Site and Services for personal and non-commercial purposes. You are not allowed and cannot allow anyone to modify, disassemble, decompile, reverse engineer, transfer, rent, sublicense, copy, distribute, reproduce, republish, scrape, download, post, and create derivative works or promote through any means the Site and its content.

Limitation of Liability

You are solely responsible for using the Site and Services, where you acknowledge the risks involved.

The Company disclaims all warranties, whether expressed or implied, with respect to the Site, Services, and your use thereof. Such disclaim include, without limitation, the implied warranties of merchantability, fitness for a particular purpose, non-infringement, authority, usefulness, accuracy, completeness, and timeliness. This disclaimer applies to the fullest extent permitted by law. As a result, the Services, contents, and capabilities made available on, accessed through, or sent from the Site, are provided “as is,” “as available,” and “with all faults.”

Without limiting the generality of the above, the Company disclaims all liability and responsibility for any of the following:

- Mistakes, omissions, or inaccurate information contained on the Site
- Interruptions or halts in transmitting information to or from the Site or Services
- Bugs, viruses, and other similar threats that may be to or through the Site or Services

You agree to exclude the Company from any losses that are directly or indirectly brought on by the Site or Services, where you also agree to take full responsibility for any decisions you make based on the information from the Site or Services.

When using the Site or Services, or any other content accessed through or downloaded from the Site, the Company will not be liable to you or any third party for any special, direct, indirect, incidental, special, punitive, or consequential damages of any kind, including any lost profits or lost data, whether based on a warranty, contract, tort, or some other legal theory. However, if the relevant judicial authority finds the Company liable, its legal responsibility shall not exceed 1,000 USD.

The mentioned issue above of legal obligation must be followed to the utmost extent permitted by law in the applicable country.

You acknowledge that the Company is not responsible for the User Content or any defamatory, offensive, or unlawful conduct by a third party. Furthermore, the risk of harm or damage from the mentioned conduct lies entirely with the User.

The Company is not always liable for all problems or technical malfunction of any mobile device, local network lines, online computer systems, servers or providers, hardware, software, failure due to technical problems, Site-visitor congestion on the internet (or inaccessibility of the internet), or compatibility issues between the Site or Services and your browser or other devices.
